# CS2001 Level 2 Group Project
## Deliverable 3 – Project Plan

### DELIVERABLE DETAILS

Follow the instructions for Week 6 – Project Management Lab to prepare for this deliverable. Note that all deliverables are formative, will be used to facilitate discussions with your tutor, and will aim to guide you towards timely planning and development of your project.

**In your deliverable report, include the following as described in the Week 6 Lab Sheet**
1) Project backlog
2) The first Sprint plan that summarises your
   a. the sprint planning process,
   b. sprint goal,
   c. sprint backlog, which should be a subset of the project backlog selected according to the sprint goal
   d. sprint leads – product owner and scrum master.

### SUBMISSION OF PROJECT PLAN DELIVERABLE

One person from your team should submit this deliverable on Wiseflow Week 8, 11/11/2022, 11:00. You will submit a single PDF file.
